

## Delegation Wins Plea For State Ownership of Bridges

The state acquisition of the Dumbarton and San Mateo bridges appeared a certainty this week following a public hearing held in Sacramento last Thursday and attended by a delegation of local civic leaders.

Following the hearing the California Toll Bridge Authority went on record favoring state acquisition of the two bridges subject to federal government approval of the financing, and a "last look" at the condition of the two structures.

At the conclusion of the two-hour hearing, Governor Earl Warren stated, "Let it be the sense of this board that the bridges be acquired subject to the Department of Public Works' report on their condition and that we stand adjourned until May 28 when we will make our final decision."

The privately owned Dumbarton Bridge has been offered to the state for \$2,250,000 and the San Mateo Bridge, also privately owned, could be purchased for \$6,000,000.

Acting as speaker at the hearing in behalf of the Washington Township delegation was Judge Allen G. Norris of Centerville. Nearly 100 persons were on hand to endorse the proposal but no one appeared to testify in opposition to the state purchasing the bridges.

G. T. McCoy, state highway engineer, said his department wanted to take "one last look" at the condition of the spans—particularly the San Mateo Bridge.

Chambers of Commerce of Washington Township have long advocated the state ownership of the two bridges, with an eye to the reduction and eventual elimination of tolls.

When the announcement of the public hearing was made here the Chambers immediately named representatives to make the trip to Sacramento. Harry Gaeta, president of the Peerless Stage System, was contacted by Allan Walton of the Centerville C. of C., and agreed to furnish free transportation to the capitol city for the delegates.

### IRVINGTON PATROL TO MARCH AT FAIR

The Junior Traffic Patrol of the Irvington Elementary School will march in the parade to be held next month in Pleasanton in connection with the Alameda County Fair.

The group was authorized to represent the community in the parade by action taken by the Chamber of Commerce at its meeting Tuesday.

Gus Robertson gave a brief report on the trip which he made, along with other delegates from the township, to Sacramento to appear in behalf of the state's acquisition of Dumbarton and San Mateo bridges.

Vice-President Edward Haynes, who presided in the absence of Dr. E. M. Grimmer, named Jack Prouty and Allan Hirsch to a committee to investigate the possible annexation of Warm Springs to the Irvington Sanitary District.

## WATER, SANITARY DISTRICTS SOUGHT AT WARM SPRINGS

The Warm Springs Chamber of Commerce voted at its meeting last Thursday to continue its extensive campaign for civic improvement. Projects which the Chamber have undertaken include the formation of a sewer district, a water district, and a zoning ordinance for the area.

Harry Goodridge, engineer for the Union Sanitary District, was the guest speaker at the meeting. He had been asked to submit estimates on the cost of a sewer system for Warm Springs.

Goodridge estimated that the cost of severing the entire area would be approximately \$166,000. He stated that from the assessed valuation of \$469,500, only about \$70,000 could be voted in bonds, but the remainder could be raised by a special levy for front footage along the lines.

Petitions are being circulated this week asking the property owners to authorize the formation of the district. If 75 per cent of the land owners sign the petitions they will be presented to the directors of the Irvington Sanitary District with the request that the area be annexed to that district.

It was also announced at the meeting that petitions are still being circulated for the formation of a water district. The Chamber has endorsed this plan with the hopes of tapping into the Hetch-Hetchy water line which passes through the community. Secretary Evelyn Rose was also instructed to write to the Alameda County Planning Commission asking that tentative zoning maps be made of the community.

## W.U.H.S. HAS NEW P.T.A. OFFICERS

Outgoing President Mrs. William H. Chivers brought the W.U. H.S. P.T.A. meeting to order for the last time Thursday evening, May 10, in the Girls' W room at the high school.

The new officers for the year 1951-52 were installed by Mrs. R. J. Mathieson of Hayward, who is the outgoing president of Phoebe A. Hearst Council. The new officers include Mrs. Gerald Rehrg, president; Mrs. Robert Moore, vice-president; Mr. Eugene Early, second vice-president; Mrs. J. A. Silva, secretary; Mrs. E. D. Meeker, treasurer; Mr. George Scammon, auditor; Miss Gay Knoles, historian; Mrs. Graydon Spurlock and Mrs. William H. Chivers, delegates, and Mrs. M. E. Amaral, parliamentarian.

A program was presented by the Girls' W Club. Selina Rigman acted as mistress of ceremonies and also sang "Mockingbird Hill." Other girls who sang numbers were Joyce Rebello and Iris McNemar. A tap dance was given by Irene Jimenez. The girls were accompanied at the piano by Elizabeth Flores.

Following the program, the members adjourned to the faculty dining room where they were served delicious strawberry shortcake and coffee by Emily Scott, Joyce Rebello, Nancy Lloyd, Dina Sodini, Eleanor Coronado, Patsy Chivers, Irene Jimenez and Iris McNemar, members of the Girls' W Club.

## HILARIOUS SHOW AT MISSION TONIGHT

The "Mission Hamateurs Revue" staged last night at the I.D.E.S. Hall in Mission San Jose by the Mothers Club of the elementary school, will have another hilarious performance tonight at 8 p.m.

The show, under the direction of Mrs. Hazel Millard, is a rip-roaring, laugh-packed comedy of the Gay 90's featuring a cast of "surprise" local talent.

The program includes two plays, "The Villain Still Pursued Her" and "Virtue Triumphs," also known as "Horace, Come Home from the Laundry."

Outstanding in the evening's entertainment are the Can Can Dances done by the eight "Mission Belles."

## WOMAN 'HOMELY AS SIN' IS SOUGHT

A man and woman are being sought for grand theft after successfully pulling the old "caress" trick on a Decoto man last week.

James S. Johnson, 220 Fifth Street, said he was walking down the street when a car stopped near him.

A man and woman, both about 40, asked him directions.

When he answered, the woman said, "Step a little closer; I'm hard of hearing."

Johnson obliged. As he directed the man, the woman leaned out of the car and put her arms about him. Johnson, 73, said he hardly noticed.

When he started to buy something later, however, he said he found his wallet, with \$50 in it, was missing.

Johnson said he could identify the woman anywhere. She was, he described, "Homely as sin."

## LOCAL TEACHERS VOTED WAGE BOOST FOR 1951-52 TERM

The Board of Trustees of two more of Washington Township's elementary school districts met this week to offer contracts to their faculty and made adjustments in the salary schedule to cope with the increased cost of living.

Salary boosts ranging from \$180 to \$300 per year were voted by the Centerville school trustees on Wednesday evening. The minimum starting salary was raised from \$2,700 to \$3,000 per year.

The Newark school board voted a \$3,000 minimum for teachers with emergency credentials, \$3,180 for beginning teachers with four years of college and \$3,260 for beginning teachers with five years of college.

The board announced that the present members of the faculty will be given wage increases but the exact amounts can not be determined until the total school revenue is known, late in June. It was pointed out that the school revenue cannot be definitely known until pending legislation before the Assembly in Sacramento is acted upon.

J. I. MacGregor, district superintendent, stated yesterday that

## SCHOOL ELECTION TODAY; DECOTO HAS ONLY CONTEST

Residents of the ten school districts of Washington Township will go to the polls today (Friday) to elect one member to the Board of Trustees in each of the districts.

The only district in which voters will find it necessary to make a selection is Decoto, where Kenneth Garcia is running against the incumbent, William S. Davis.

Ralph Logan, a new candidate for membership on the board at Alviso, is unopposed for the post held for the past three years by Frank Duarte.

Other present board members who have filed as candidates for re-election and are unopposed, are: Wilbert Hendricks, Alvarado; Allan W. Walton, Centerville; Alfred Peixoto, Irvington; J. F. Azaveda, Mission San Jose; S. G. Scott, Newark; H. L. Scott, Niles, and J. Orville Leitch, Warm Springs.

Also unopposed for reelection is Judge E. A. Quaresma, member of the board of trustees of Washington Union High School.

## B.P.W. CLUB HAS NEW PRESIDENT

Mrs. Leila Olivera was installed as president of the Business and Professional Women's Club of Washington Township at colorful ceremonies performed last Monday night at the Centerville Presbyterian Church social hall. The Ruth Circle of the church prepared and served the dinner, which preceded the installation.

Other new officers for the ensuing year are: vice-president, Dorothy Czerny; corresponding secretary, Olive Howard; recording secretary, Rosaline Egan; treasurer, Rose Vieux; auditor, Gertrude Enos. The directors are Audrey Carmody, Ruth Vieira, Antoinette Pimentel, Lois Nickolsen and Janet Bruner.

Forty members attended the affair, with special guests from the Hayward and Pleasanton Clubs. Mrs. Carmelita Berge Freitas, the installing officer and new Bay District recording secretary, was congratulated for the efficient manner in which the installation was performed and for the interesting and outstanding decor.

## CLASS REUNION FOR GRADUATES OF 1926 ONLY TWO MISSING FROM ENTIRE CLASS

After several weeks of letter-writing, phoning, and contacting many people personally, Mrs. Laura Mayer of Niles is at last ready to report that plans have been completed for a big twenty-fifth anniversary reunion of the class of 1926 of Washington High.

The date has been set for June 10, and the reunion dinner will take place at Pland's Villa in San Lorenzo. "All but two of the 37 graduates of the class have been contacted," said Mrs. Mayer. "It was quite an undertaking, as addresses had been lost, people had moved all over the country, and tracing them all seemed, at times, almost impossible."

The teachers who were teaching at the time have also been contacted. Three of them, Principal J. V. Gould, Mrs. Grace Jackson, and Hugh Kibby, are still at the school. Other teachers who have been notified of the reunion are: E. B. Hodges, former principal of the school; Mrs. Lorene Wright Hawley, of Oakland; V. Edgar Solvason, San Francisco; Mrs. Gertrude Hunt Phillips, Berkeley; Mrs. Eula M. Wright, North Hollywood; A. E. Schaefer, Coronado; and Mrs. Clara V. Weeks Roberts, San Jose.

Among the teachers whom Mrs. Mayer was unable to reach were D. F. Gatchell who, it is believed, is now somewhere in the east and is known as the Reverend Gatchell; L. H. Pierce, who is said to be somewhere in the south; and Miss Mable Barnard, who was last known to be in Mountain View. Anyone who knows the whereabouts of these three is asked to notify Mrs. Mayer.

Mrs. E. Marie Sandholt, vice-principal in 1926, is the only deceased member of the group. The class members who have been notified of the approaching anniversary dinner are as follows: Alvin Seales and Mary Sa, Decoto; Kathleen Pope Cook and Laura Dutra Lucio, Newark; Orville Leitch and Madeline Furtado Silveria, Warm Springs; Edna Destrella Yates and Irene Alameda Sargent, Alameda; Adele Steinhoff Mento, Frederick Laudenschlager and Victor Souza, San Leandro; Joseph Perry, Mildred Laudenschlager, Alice Lucas Sims and William Anderson, Oakland. Others are: Lawrence Pimentel, San Lorenzo; Captain George D. Richards and Manuel Souza, San Jose; Velma Copeland Kearns, Redwood City; Fred Nitta, Watsonville; Alice Dargitz Bettencourt, James M. Nunes, Louise Clark Esteban, and Helen Martin Rose, Centerville; Laura Mae Garcia Mayer and Arthur Nunes, Niles; Winifred Owen Ward, San Diego; John Brown, Point Loma; Anthony Escobar, Palo Alto; Rita Rivers Brasted, Richmond; Leo Oliver, Erath, Louisiana; Sybil Botelho Morse, Burlingame; Adelaide Nunes DeValle, Hayward; Dayle Langdon Muller, Davis; Grace Dutra Veit, Mission San Jose; Mayone Logan McConnell, Albany; and Helen Foster, Sacramento.

The whereabouts of two of the classmates, Ternopa Jones and Gustave Mattson, is unknown. Reservations for the reunion dinner are to be made with Mrs. Laura Mayer, Niles; Lawrence Pimentel, 15963 Via Pinal, San Lorenzo, or Mrs. Adele Mento, 956 Estudillo Avenue, San Leandro.

## Coroner's Jury Urges More Patrolmen Here

A coroner's jury, meeting at Niles yesterday to hold inquests into the deaths of six victims of recent highway accidents here, fired a broadside volley at the state for failure to provide sufficient highway patrolmen for this expansive rural area.

The six jurymen were in accord that the number of highway patrolmen which the San Leandro office is able to assign to this district is far from adequate.

Leonard Smith, jury foreman, stated that the highway deaths investigated by the jury were directly due, on the most part, to excessive speed.

"Motorists have the feeling that they have little chance of being arrested for speeding out here in the open country, and that provides our greatest hazard," Smith said.

The jury, composed of Smith, J. D. Siler, Dan Marble, Nello Tonelli, Frank Titus and Frank Duarte, drew up a formal statement requesting that additional highway patrolmen be assigned to the rural areas such as Washington Township.

They stated that the action was taken as an endeavor to halt the rapidly mounting death toll on the highways of the township. They pointed to the record of eight highway fatalities here in three weeks.

Similar action has been taken by individual Chambers of Commerce of the township at regular intervals over the past years, but has resulted in no improvement of the problem.

The reply of the highway patrol has consistently been that they do not have sufficient appropriations to employ additional men.

## AWARDS MADE TO LOCAL GRAY LADIES

The Gray Ladies of Washington Township Branch of the Red Cross were guests at the Livermore V.A. Hospital last Tuesday night and were presented with awards for their services by the hospital personnel.

A program in their honor, and refreshments furnished by the hospital, in addition to the presentation of awards, rounded out the evening's entertainment.

Those who received certificates of appreciation included Mmes. Nellie Talley, Lou Moser, Virginia Mottershaw, Peggy Crane, Ina Jolly, Mary Fields, Connie Holland, and Gladys Calhoun.

Certificates of merit for three years of service were presented to Nellie Talley, Mary Fields, Peggy Crane and Gladys Calhoun. Those honored for their service by the American National Red Cross were Lou Moser, Virginia Mottershaw, Ina Jolly, Peggy Crane, Nellie Talley and Gladys Calhoun.

Mrs. Calhoun, chairman of the Gray Ladies in the township, is still emphasizing the need for more Gray Ladies. "We have several recruits sign up," she said, "and they have already taken their physical examination at the hospital, but we still need more women."

Those who took their examinations this week included: Mmes. Ann Katzer, Alice Tuchsien, Mary Ericksen, Jacqueline Berg, Estelle Rigmalden, Marie Dutra, Elsie Madruga, Lucretia Michael, Bette Broun, Marjorie Manning and Mrs. Ray Truscott.

## FREE CLINIC FOR NEWARK CHILDREN

A pre-school clinic for children who will enter kindergarten at the Newark Elementary School next fall will be held on May 25 at the school, from 9 a.m. until noon.

In order to enter kindergarten, a child must be four years and six months old by September 1, 1951. The parents should bring either a birth certificate or baptismal record to verify a child's age.

The clinic is held at no cost to the parents, and is under the direction of the Newark P.T.A. Dr. John O'Connor of Newark will be the examining doctor.

## MISSION CHAMBER MEMBERSHIP SHOWS MARKED INCREASE

The Chamber of Commerce of Mission San Jose, though an infant in age since its recent formation, is none the less the senior to all other C. of C.'s of the township in membership, according to reports given at this week's meeting.

Mrs. Lois Bottenberg, membership chairman, announced that with only half of the prospective members contacted, a paid-up membership of nearly 100 has already been achieved.

More than 50 members were present at the meeting to hear a talk by Supervisor Chester E. Stanley.

He urged the members to proceed at once to zone what he asserted would become "the Piedmont of Southern Alameda County." He announced that the Supervisors had authorized several improvements for streets and lighting.

N. E. Click, school principal and program chairman for the C. of C., outlined the year's meetings as follows: June, civil defense; July, fire protection; August, youth organization; September, sheriff's office; October, education; November, California history; and December, Mission San Jose history.

A discussion was held on the possibilities of improving bus service, telephone rates and directory and reduction of fire insurance rates. President Maurice Marks named Eugene Olwell chairman of the public utilities committee to conduct the investigation.

Joe Semos, chairman of the Alameda County Fair Committee, reported that Mission would be represented by exhibits of wine, champagne and strawberries.

## NUMBER OF MEASLES CASES SETS RECORD

Mothers of the township remained on the alert throughout the week carefully scrutinizing each pink blemish on their youngsters as the number of cases of measles continued to mount.

The Alameda County Health Department reported 26 new cases here in the township during the week, bringing the total in the unincorporated areas since the first of the year to 1,352 cases.

The only other contagious disease reported in the township for the past week was one case of chickenpox.

### MAKES THE WORK EASIER FOR LAW

An alleged check artist, whose cooperation with the law reached an all-time peak, visited the township last week-end, casting his bits of worthless paper upon various merchants in exchange for cash.  
The fact that the checks were worthless was not the astonishing factor. What surprised the sheriff's deputies was that the man signed his right name and address to each check, even though he had no account in any one of the three banks upon which the checks were drawn.  
The man is Jack D. Pool of Oakland, who will appear before Judge E. A. Quaresma in Niles Justice Court today (Friday) on three counts of petty theft.

### REDWOOD SCION CARRIES ON

MANY YEARS AGO this stump was left after logging operations on the Noyo River unit of the C. R. Johnson Tree Farms of Union Lumber Company, to be dedicated May 19. Two sprouts sprung from the stump. One has grown partially around the parent stump and may ultimately completely enclose it. The tree to the left shows normal and conventional growth from the base of the parent stump. These trees are typical of the persistence of coast redwood (Sequoia Sempervirens) in reproducing itself and thus making tree farming the natural and profitable way of perpetuating the vast redwood forests.

## A home laundry operates for pennies

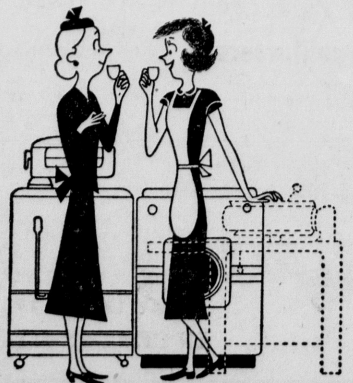

especially with P. G. and E. rates lower than in 1940

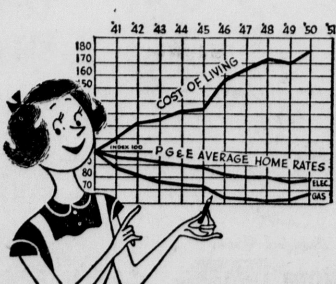

A modern washer is the start of a modern home laundry. If you have one... fine! If not, consider getting one. There are many fine conventional models available and, best of all, they operate for a few cents a load on P. G. and E. lower-than-1940 rates!

An automatic clothes dryer is a good investment and an important part of a home laundry. At your convenience, day or evening, it fluff-dries an entire wash sunny-fresh and sweet in a matter of minutes. Here again, you benefit by P. G. and E. bargain rates.

Since 70% of the average family wash is flatwork which can be quickly run through an ironer, you will want this helpful appliance in your home laundry plan. With a little practice you can also do shirts, dresses, frilly things on the ironer. Folks who have them say they more than pay their way.

Homemakers! It's amazingly easy to start a home laundry when you have a plan. Let your dealer show you how to make best use of present equipment, how to add other work-saving appliances later on. With P. G. and E. rates lower today than 10 years ago, a home laundry complete with washer, dryer and ironer usually adds less than 85¢ to your monthly bill. A bargain!

### NEW ARRIVALS

John Keener, first helper of the open hearth, and his wife, Verne, are the proud parents of twin boys, one weighing 6 pounds, and the other 5 pounds, 11 ounces, born Friday, May 11, at 6:40 p.m., at the Hayward Hospital. All are doing nicely.

### VACATION

Delbert Dalton took a week off, sort of a vacation, that is. Doctor's orders, we hear.

### SEES STAGE SHOW

Jerry Dutra and wife went to San Francisco last week and saw the stage play, "Mr. Roberts." He says he really enjoyed it. What with the real Navy lingo and all. If it's half as good as the book, we sure don't want to miss it.

### FORGOT TO DUCK

Honest, fellows, Carl Villescaz had a darn good reason for that "shiner" he was sporting last week. He hurt it on the job. It took five stitches to fix his eyelid too. We're sure happy to hear it didn't injure the eye itself.

### HOME FROM HOSPITAL

"Hank" Marshall returned home from the hospital this week. He is progressing very nicely. Should be back on the job before too long.

### LAND OWNER

"Perry" Wulch acquired some acreage down Mission way. Going to build a house, too.

### GETS GUN

E. Ferrell was seen buying a new deer gun this week. Must be getting ready to fill the old smokehouse.

### ALL DOLLED UP

Bill Webster reported back to work today after a few days off, with a new uniform (overalls and jacket).

### NEW CAR

Red Slattengren is the proud owner of a new car. Red also has a smaller car for work car. Which one is the best for Santa Cruz, Red?

### GLAD YOU'RE BACK

It's good to see George Meck back on the old job again. He's a very popular guy.

### S.P.R.S.I. WILL INSTALL ON MAY 24

Installation ceremonies for S.P.R.S.I. Council No. 21 of Alvarado will take place at Eagles Hall on the night of May 24, with Mrs. Mae Santos going in as president, succeeding Mrs. Mary Silva.

Other new officers to be installed included: vice-president, Mrs. Helen P. Gultarte; secretary, Mamie Roderick; treasurer, Mrs. Clara Flores; mistress of ceremony, Mrs. Delinda Pimentel; marshal, Mrs. Mary Luiz; door guard, Mrs. Eleanor Azevedo; directors, Mrs. Angie Vargus, Mrs. Mary Rivers and Mrs. Eleanor Silva; pianist, Mrs. Elizabeth Flores; flag bearers, Mrs. Mabel Rogers and Mrs. Mary Re.

All Councils are invited to attend the meeting, which will also feature the initiation of new members.

### NEWARK CHURCHES PLAN VACATION SCHOOL

The Newark Assembly of God and Presbyterian Churches are planning a cooperative Daily Vacation Bible School for the mornings of the last two weeks in June. Instruction, games and handicraft will be the program.

Registration of children over six years of age is to be done by the parents in either church on Sunday, May 20, or at release time on Tuesday, May 22.

### THIS 'N THAT

The most welcome piece of news to me during this week is this: they are now making Yammie Yogurt in strawberry flavor! When they start making it in cherry, orange, lemon and lime there will be nothing else on this earth that I'll want. As I told you, I got started on Yogurt and am now afraid to stop, even though I don't know what it's doing for me.

### ITEM IN THIS WEEK'S REGISTER

A former local couple are going into the mortuary business in PARADISE. I can't think of a better place for that kind of business. Imagine, being laid away in Paradise!

At a show in San Francisco last week a man sat down about three seats from us and immediately I recognized him as being someone I knew. "I can't think who in the world that man is," I said to my husband, "but surely it's someone we know. His face is very familiar. Let's go and speak to him."

My husband protested, saying it would look funny, speaking to someone whose name we couldn't remember.

"Well, if he looks up I'm going to at least smile at him," I said. "Because I know it's someone we know, and he might think we were snubbing him."

In the theater lobby between acts, quite a crowd was gathered around this same man, and I heard him being introduced as Kirk Douglas. The movie star! And I was afraid he'd think I was snubbing him!

They've lowered the standards for blood donors now. You can give blood, even though you've had malaria (if you've been free from it for a year); and you can now give blood up to the age of 65.

NOW what excuses will people have? Really, it isn't bad at all. It doesn't hurt. You'll survive it, I know. In fact, you'll feel better, because you'll know you've perhaps saved a young man's life in Korea.

It's next Monday. What are you waiting for? Phone now for an appointment. You're not

## Niles School Teacher's Engagement Announced

Sixth grade students at the Niles Elementary School noticed something different about their teacher, Miss Charlotte Sandorf, this week. She is wearing a diamond ring on that important finger.

Her engagement to Mr. Frank Belik of San Jose was announced last week at a party at the home of her parents, Mr. and Mrs. Charles Sandorf, in San Jose, with only immediate members of both families present.

Mr. Belik is a graduate of Santa Clara University and is with the city engineer's office in San Jose. Miss Sandorf, a graduate of San Jose State, taught in Irvington prior to coming to the Niles school. She has been in Niles since the beginning of the fall term.

Plans for the wedding are indefinite.

## Rebekah Delegates Return from Convention

Mrs. Irene Bales, Mrs. Anna Van Buskirk and Mrs. Olive Pugmire returned home last Saturday from the Rebekah Assembly in Santa Monica as delegates from the Silver Star Lodge.

Mrs. Pugmire received her appointment at the Assembly as District Deputy President of District 53.

Other Silver Star members who attended the Assembly included Mrs. Rose Sterns, Mrs. Anna Bradford, Mrs. Fern Mitte and Mrs. Ivy Cull.

## At Santa Cruz

Mr. and Mrs. V. J. Hescher of Niles motored down to Santa Cruz to take in the Rebekah Assembly held in that city last week.

## a coward, are you? OR ARE YOU?

Have you ever noticed how, in one block in a neighborhood, you'll see the same fences springing up, the same kind of flowers blooming in every yard, the same kind of lawn seed planted? Even the children playing in their play clothes seem to take on an air of sameness, and notice how the housewives blossom forth in the same sort of gardening outfits?

If you want to be different, just plant a passion-flower vine when everyone else in your block has planted bougainvillea, or wear shorts when every other woman in your block is wearing skirts. Okay, go ahead! But don't say I didn't warn you!

The Golden Gate Bridge has a channel span of 4200 feet.

## Air Force Captain and Wife Visiting Here

Captain Anthony Silva and Mrs. Silva (June Roderick) are leaving today for Offutt Air Force Base at Omaha, Nebraska, after a two weeks' stay in Niles, where the couple visited many relatives, including Mrs. Silva's mother, Mrs. Vernon Carey, and her aunt, Mrs. Carlo Guisti.

Captain Silva and his wife have been in Omaha for two years. Prior to that time they were in the Philippines. They are hoping that Captain Silva will be transferred to the west coast soon "for it's so terribly cold during the winters in Nebraska."

Although the couple enjoy the social life at the officers' club at the air base, Mrs. Silva says she gets most of her joy out of living in working with the chapel at the base. "Every week I take the nuns for a ride and a picnic," she said, "and do they love it!" She also spends considerable time helping at the orphanage at Omaha.

Mrs. Silva enjoyed every minute of her visit in Niles. "It was fun seeing all of my former friends—and it was fun being in Niles again. We've traveled a lot since my husband has been in the Air Force (for 8 years), but Niles will always be my favorite spot."

## Birthday Dinner Party

A guest this week at the home of her mother, Mrs. Irene Henderson of Niles, is Mrs. Francis Rose. Mrs. Rose came down from her home in Paradise recently with her husband to a dinner party her mother gave, and remained here to return to Paradise today. She and her husband recently moved from San Luis Obispo to Paradise, where they will soon open a mortuary business.

At Mrs. Henderson's dinner party, which was her birthday dinner ("and I had to cook it myself," she laughed) were the following guests: Mr. and Mrs. Rose; Mrs. Henderson's niece and nephew, Dr. and Mrs. Lowell C. Finch, and daughters Paula and Patricia, of Oakland; her brother, Lucien Chaix, and his wife, and daughters Christine and Patricia, of San Jose; her brother-in-law, Mr. V. Gallatin; Mr. Edward Kady of Hayward; Mrs. Rose Vieux and Mrs. Marian Zwissig.

## Hosts at Dinner

Mr. and Mrs. George Beardsley hosted a dinner at their home in Irvington Sunday honoring Mrs. Lena Roderick and daughter Irene of San Jose, and Mr. and Mrs. Bernie Joseph of Decoto.

## Another Voorhees

Newcomers to Centerville as of next week will be Captain Clyde Voorhees Sr. and Mrs. Voorhees, who have been living in Hayward since Captain Voorhees' retirement from the Army. A veteran of the Spanish-American War and of World War I, Captain Voorhees is also a retired employee of the county, having worked in the assessor's office for 22 years.

The name of Clyde Voorhees is, of course, familiar to most everyone in the township, as Clyde Voorhees JUNIOR is a coach at the high school.

Captain and Mrs. Voorhees will live at 143 Oak Street, the former Laudenschlager place.

## Week in Los Angeles

Mr. and Mrs. Walter Chrysler of Niles are leaving tomorrow for Los Angeles for a week's pleasure and business trip. They will be guests at the home of Dick Moore, who handles the television end of the Walt Disney pictures.

During their absence, Mrs. Chrysler's mother, Mrs. Hughes, will come up from her home in Santa Cruz to take care of the children.

HUSKIES CONCLUDE  
DIAMOND SEASON

Wednesday's victory over the Gilroy nine moved the Washington Huskies into third place in the S.C.V.A.L. baseball standings and put them within reach of second place position.

They were scheduled to play second-place Mt. View yesterday in the final game of the season and the deciding factor in whether they close the season in second or third place. The result of the game was not known at press time last night.

In Wednesday's win over Gilroy Coach Hird's lads ran up a 4-0 lead in the first four innings behind the one-hit pitching of little Joey Castro. Hoping to save Castro for Thursday's decisive battle, Hird replaced Castro with Springer on the mound.

Springer got into considerable trouble and allowed three runs before Vargas took over the mound duties and put out the Gilroy fire, ending the game on a 4-3 score.

INDIANS SCALP  
HUSKIE CINDERMEN

The Washington track and field squads were soundly beaten by the Fremont Indians on the home track Wednesday afternoon in an S.C.V.A.L. dual meet.

The Washington varsity was outpointed 86 to 34; the B's lost 74 to 38; the C's 75 to 29, and the D's 83 to 1.

Outstanding performances were turned in by Antoine Rigmaiden, Huskies high-jump artist who cleared the bar at 5 feet 7 inches, and Dick Lane who ran his best race of the year in the 440-yard dash.

The squads will journey to Santa Clara today (Friday) for their final league dual meet of the season. They will compete in the conference trials at Fremont on Tuesday and the finals on Friday, May 25.

The visitors outthit the local club 11 to 6 but were unable to bunch their hits to push over the necessary runs.

ICE FOLLIES IN  
THE CITY SOON

Back again in all its grace and beauty, the famed "Ice Follies of 1951" will open its shortest San Francisco run in the 15-year history of the show at Winterland on Wednesday night, June 20, George J. Campbell, general manager of Winterland, announced this week.

Campbell said: "The Ice Follies has usually played San Francisco for comparatively long runs in past years, but the coming show will be cut by several weeks because of the addition of several new cities to its country-wide tour. Therefore, I urge all Ice Follies fans to make plans to get their tickets early to assure themselves of seeing this fine 1951 show. We'll make the announcement of the opening of mail order reservations very shortly."

Nightly performances of the "Ice Follies of 1951" are scheduled for 8:30, with Sunday matinee starting July 1, and held every Sunday thereafter at 2:15. A special matinee, however, is set for Wednesday, July 4.

There'll be wholesome entertainment for the entire family in the 1951 show... imaginary trips on ice to old Mexico, Vienna, Ireland... trips that will take you back into the "Roaring Twenties," to the baseball game, to the baker's shop, and to a gala New Year's Eve celebration.

The varied numbers are sure to delight young and old alike. There's "The Baker's Treat," "Ballet de Splendour," "A Beautiful Rainy Day," "Roaring Twenties," "Starlight Roof," "The Great American Pastime," "New Year's Eve" and "La Noche de Los Toros."

For the first week of ticket sales, only mail orders will be accepted. Tickets will range in price from \$1.20 to \$3.60.

Geologists believe that North Dakota contains two-thirds of the American deposits of lignite.

Events for the two-day show will include bronc riding, calf roping, amateur saddle bronc riding, greenhorn calf tying, saddle bronc riding, team roping, steer wrestling and brahma bull riding.

Supplementing arena events will be action from two of the nation's outstanding rodeo clowns, Slim Pickins of Coarse Gold, Calif., bronc rider and Hollywood movie star, and Benny Benningfield of Oklahoma, noted brahma bull fighter.

The annual western parade will be staged by the 20-30 Club on Saturday with outstanding marching and mounted groups, bands and floats from all parts of Northern California to participate. The event is scheduled for 10 a.m.

# Chrysler FirePower

Finest engine  
ever put  
in an automobile

## 180 HORSEPOWER

The new Chrysler Hemispherical Combustion Chamber, heart of the finest car engine built today. In this dome-topped area, you see the only ideal combustion chamber... the only way to develop full combustion, full compression, full work and value from every drop of fuel!

With so many engines claiming newness... how can we call FirePower the only new type engine today? The answer's very simple, and one you ought to know before you invest in a car. The fact is that engine "improvements" happen every year... but a basically new motor car engine is a very rare thing. And FirePower is the most basic new development since Chrysler introduced high-compression in 1924!

To get to the heart of the matter, just go to the heart of the engine... the combustion chamber where the spark fires gas into power. Here Chrysler brings you something no car has had till now... a Hemispherical combustion chamber... the only perfect and ideal combustion chamber in any passenger car. Here the same amount of gasoline delivers you

far more energy than it could in any other car. What this means to the man at FirePower's wheel is impossible to tell you till you take that wheel yourself. FirePower's 180 horsepower can outperform any other engine on the road, even on regular grade gas.

Remember, too, that Chrysler now offers the wondrous road-ease of new Oriflow shock absorbers with twice the shock-absorbing power of any others... and the exclusive safety and delight of Hydraguide power steering\* which takes four-fifths of the work out of steering! You can learn for yourself how Chrysler has changed your motoring life by seeing your Chrysler dealer now!

## GORMAN HOME SOLD TO S. F. BREWER

Mr. and Mrs. A. W. Gorman of Niles, who have been residents here for the past eight years, announced this week that they have sold their beautiful home at the end of G Street to Mr. and Mrs. Charles Lurmann Jr. of San Lorenzo.

The Gorman home, noted as one of the township's show places, was built by the Snells, who lived there until Mr. Snell's death. The most distinctive feature of the place is the lake, situated in the middle of the eight-acre property,

and surrounded by attractive planting.

Although the Gormans have sold the home, they have retained some of the property on which they eventually hope to build a summer home. They have made their permanent home in San Francisco for the past two years, coming to their Niles' place on week-ends.

Mr. Lurmann is one of the executives of the Burgermeister Brewing Company, and will commute to his office in San Francisco. The couple has three small children.

## DRAWS HEAVY FINE FOR COCK FIGHTS

On his plea of guilty to raising and exhibiting fighting game cocks, Thomas Vagas, 75, of Decoto, was sentenced to 90 days in the county jail or to pay a fine of \$450 in Niles Justice Court last Friday.

However, Judge Lester Foley of Hayward suspended 70 days of the sentence and \$350 of the fine and placed the old age pensioner on probation for a period of one year.

"Nobody likes to send a 75-year-old man to jail," Judge Foley told Vagas, "but we are not going to allow gamblers from other counties to operate a cock fighting ring here, using an old man like you for a subterfuge."

## GARDEN PARTY IN NILES ON MAY 26

The annual luncheon and garden party of Toyon Branch of the Children's Hospital will be held at the Old Adobe on the California Nursery grounds on May 26.

Mrs. Robert Blacow is chairman of the affair and will be assisted by Mrs. George Bonde, co-chairman, and other members of the committee.

Those who have patronized the spring garden party in former years need not be sold on its merits, for all who attend are guaranteed an excellent home-cooked luncheon and special features, including the pony rides for the youngsters. There will also be sale booths, where home-cooked foods may be purchased, and where choice plants may be bought, as well as the famous elephant table where almost everything may be found!

Those who are working on the committee include Mmes. E. Dixon Bristow, Ted Harvey, E. E. Hudson, John Stocking, T. D. Withler and LeRoy Brown.

The public is invited to attend. Luncheon will be served starting at 12 noon.
